Table of Contents

Dear Students,

I hope that there will be no tear drops trickling down your cheeks when you look back upon this year, for we have recorded in this book many triumphs and many joys.

Perhaps some of you may drop a tear or two of regret that you have not made the most of your opportunities; but, on the whole, it has been a good year, and I shall appear in person throughout this book just to remind you to rejoice in your victories, draw strength from your defeats, and be eternally grateful that you live in a land where your success is limited only by your own efforts.

Hopefully,

Antler Staff Hopes For Greater Success

The Antler placed third in the contest sponsored by the Panhandle High School Press Association, but did not recieve recognition in the Texas High School Press Association.

In October, the staff sponsored a very colorful Oriental program for the coronation of the Antler Queen, Mary Ann Freeman.

In October, also, the annual magazine sales campaign was conducted. Betty Kirby was the high salesman and Joyce Chapin was second. Total sales reached $701.69.

Ruth Preston, editor; Betty Kirby, Junior Class editor; and Miss Everly, sponsor, represented the staff at the THSPA meeting in Denton in December.

The traditional Amateur Night was held in April. Winners in the Grade School division were Shari Dupuis, Patricia Ann Beighle, and Mary Ulrich. The high school division was not competitive.

Class Editors: Gay Harris, Sophomore; Paulette Burns, Freshman; Betty Kirby, Junior, and J'Non Urbanczyk, Senior.

Janet Wedge, Business Manager; Tommy Powell, Sports Editor; Joyce Chapin, and Don Adams, Photographers.

Bucks' Tale Gains Three Top Awards

The Bucks' Tale made a clean sweep of the contests in which it was entered. It won first place in the Texas High School Press Association and the Panhandle High School Press Association, and received the highest rating, the Award of Distinguished Merit in the Interscholastic League Press Conference.

In PHSPA, Darrell Ruthardt won second place in general columns and third place in sports columns, and Herschel Powell won second place in sports columns.

In ILPC, Darrell took first place in news writing; and Ruth Preston, first in editorials.

Three members of the staff attended the THSPA convention in Denton, and four were present at the PHSPA convention in Canyon. No contestants were entered in the Regional meet this year.

Student Council

The Student Council, headed by Jack Reynolds, president, and Principal Lawson Shaw, sponsor, began the year with an assembly at which new students and teachers were recognized.

Later in the year the Council initiated the custom of beginning each program with the salute to the flag and the reading of a scripture.

To make money for its projects, the Council operated the coke machine, and was in charge of the concession stand during the noon hours, sold mums for the bi-district football game, and sold king-sized Nestle candy bars at Christmas.

The chapter was represented at the district banquet in Dumas, where Ruthardt, as district vice-president, gave the response to the welcome.

The White Deer chapter of the National Honor Society began the year with three members, Tommy McGee, president; Jimmy McKernan, vice-president; and Don Adams, secretary-treasurer.

In November Lou Howard, Betty Kirby, and Sandra Ulrich were initiated in assembly. Mrs. Shirley Evans Kelly, a 1944 member, assisted in the pageant, and Principal Lawson Shaw spoke.

In an informal ceremony held in the evening of April 30, Jerlene Harris was initiated; and afterward, a reception was given for the faculty, members of the Society, their parents and guests.

Science Club Reorganizes

Because of many conflicts, the Science Club was unable to have regular meetings and, therefore, did not accomplish the objectives for which it reorganized.

At the beginning of the year, each member chose a project to exhibit in the school and district science fairs, but these did not materialize.

Later in the year, the club took up the study of ham radio and some of the members began work on their novice licenses.

In April, the club sponsored an assembly program at which a film, "Better Tomorrow," emphasizing the importance of chemistry in the modern world, was shown through the courtesy of the Celanese Corporation.

Chorus Stresses Civic Activity

The chorus, directed by Hobart McDonald, presented a spring concert in March and joined the band and choral groups of all three schools in the district in an All-School Spring Music Festival in May.

The ensembles appeared before civic and church groups on various occasions.

Because of the illness of a number of the members, the chorus did not compete in the Interscholastic League contest this year.

The Does came very close to repeating as champions of Region I, losing in the finals by a one-point margin in an overtime game with Sudan.

The girls won their third straight district title, going undefeated through district play. They won the bi-district over Sunray, 47-33; then in the regional tourney, they defeated Sundown 67-52 to advance to the final round, where they fell to Sudan, 61-60.

Two of the girls graduate after four years of playing first string positions. During this time, Mary Ann Freeman and Marilyn Kotara have helped mark up 100 wins to only 15 losses. This season's record was 22 and 4. Freeman scored 3072 points during her four years and led the scorers again this year by marking up 759 points in 26 games for a 29.2 per game average.
